

CCBHC

BCCMHA is a Certified Community Behavioral Health Clinic (CCBHC), which promotes integrated services that jointly address the medical and behavioral health needs of those served. As a CCBHC, BCCMHA provides holistic care to those in the community to promote overall health and wellness.

All services are provided in a person-centered, family-driven and youth-guided manner. Individuals, families and youth have an empowered, decision-making role in how their care is delivered.

BCCMHA participates with many insurance plans, Medicare, Medicaid and also serves the uninsured. Ability to pay for services will be determined in accordance with a sliding fee scale according to the latest Federal Poverty Level guidelines as specified by state law.

CUSTOMER SERVICE

Customer Service is available to address concerns and assist in connecting to other services and community resources. Please contact a Customer Service Representative at 866-266-4781 and/or SWMBH Customer Service Office at 1-800-890-3712.

RIGHTS

When you receive mental health services your rights as a recipient of services at BCCMHA are protected by the Michigan Mental Health Code and many other Federal and State Laws. If you do not understand your rights, or if you have questions about your treatment, contact our Recipient Rights Officer at 269-948-8041.

WELCOME TO BCCMHA

Barry County Community Mental Health Authority (BCCMHA) delivers integrated services that jointly address medical and behavioral health needs including substance use disorder and primary care screening services.

BCCMHA provides treatment, recovery and hope for individuals in the most effective, least restrictive manner to create the best possible environment for independence and wellness.

BCCMHA is a member of Southwest Michigan Behavioral Health (SWMBH). BCCMHA complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex.

EXPANDED CARE

Our mission has expanded to serve all persons with behavioral health needs regardless of severity, insurance, or residency.

At Barry County Community Mental Health Authority, we are a Certified Community Behavioral Health Clinic (CCBHC). As a CCBHC, we can provide integrated services that jointly address medical and behavioral health needs. Expanded services include care management, care coordination, and primary care screenings.
