

CCBHC

As a Certified Community Behavioral Health Clinic (CCBHC), Barry County Community Mental Health Authority provides accessible, affordable, confidential, and quality behavioral health, physical health care, and substance use disorder services focused on prevention, treatment, and rehabilitation.

Services are provided in a person-centered, family-driven and youth-guided manner. Individuals, families and youth have an empowered decision-making role in how their care is delivered.

*No one will be denied access to services due to inability to pay; and there is a discounted/sliding fee schedule based on family size and income.

CUSTOMER SERVICE

Customer Service is available to address concerns and assist in connecting to other services and community resources.

Please contact a Customer Service Representative at 1-866-266-4781 and/or SWMBH Customer Service Office at 1-800-890-3712. Calls are answered live during business hours. If you call outside business hours you can leave a message, and if you need a call-back outside our normal hours, please let us know, and we will accommodate your needs.

RIGHTS

As a recipient of services at BCCMHA, you are protected by the Michigan Mental Health Code and many other Federal and State Laws. If you do not understand your rights, or if you have questions about your treatment, please contact our Recipient Rights Officer at 269-948-8041.

WELCOME TO BCCMHA

Our Barry County Community Mental Health Authority (BCCMHA) caring team provides integrated, personalized care for medical, behavioral health, and wellness needs. All services will be provided in a welcoming, person-centered, family-driven youth-guided manner.

BCCMHA is a member of Southwest Michigan Behavioral Health (SWMBH). BCCMHA complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex.

EXPANDED CARE

Our mission is to provide accessible, affordable, confidential, and quality behavioral health, physical health care, and substance use disorder services focused on prevention, treatment, and rehabilitation.

At Barry County Community Mental Health Authority, we are a Certified Community Behavioral Health Clinic (CCBHC). As a CCBHC, we can provide integrated services that jointly address medical and behavioral health needs. Expanded services include care management, care coordination, and primary care screenings.
